

DOLMEN

Così come Ardesia, anche questa bellissima collezione è caratterizzata dal mix del gres porcellanato e dal design delle superfici a rilievo. Dolmen combina un design grintoso ad un mix di eleganza classica, stupefacente, che ne esalta la creatività per le moderne architetture, metropolitane e sub-urbane, da interno ed esterno! Like Ardesia, this beautiful collection is also characterized by the mix of porcelain stoneware and by the design of the 3d surfaces. Dolmen combines a powerfull design with a mix of classic elegance which enhances its creativity for modern, metropolitan and sub-urban architecture, indoors and outdoors!
