

FRAME

Natura e tecnologia si fondono insieme per realizzare una nuova e bellissima idea in gres porcellanato. Una collezione che ricrea con un tocco di modernità la grafica e le venature del legno d'acero, caratterizzando con gusto e personalità le pavimentazioni ed i rivestimenti di spazi abitativi e commerciali. Un design moderno che trasmette calore e voglia di essere vissuto! Nature and technology combined to achieve a new and beautiful porcelain stoneware idea. This collection mimics grain and texture of maple wood, adding a touch of modernity. Floors and walls with personality and taste, both for commercial and residential settings. Modern design generating an inviting and warm environment.
